DEDICATION

Because of the many qualities she possesses which make her both a teacher and a friend to be remembered, we dedicate this 1964 CHOO CHOO to

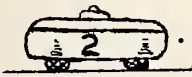

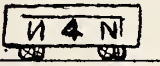

MRS. SYLVIA GREENE

FOREWORD

A train whistle breaks the calm of night as it rolls into the darkness towards its destination. So leave the Seniors of 1964-leaving to fulfill their life's ambitions, while leaving behind a ne'er to be forgotten four years. Years of devotion . . . work . . . despair . . . anticipation . . . victory . . . defeat . . . happiness . . . experienced now in memory only.

In this, the 1964 edition of the CHOO CHOO, we have recorded only a few of the highlights of the first lapse of our journey through life with the hope that in the years to come, the past events will come to be more meaningful.

LEADERS

Leaders—persons who lead. Leaders are found in all walks of life, but perhaps the most important ones are those found within the walls of a school. By the examples which they set and their guiding hands, the school administration and teachers mold the destiny of our country as they train the minds of the youth of today.

LEARNERS

Just as wheels are needed for the mobilization of a train; so students are essential to a school. Indeed, what would a school be without students-or students, without a school?

As you live, work, and play at HHS, you become HHS, for you-the students-are the school. It is as good or as bad as you make it.

GOLF

The Hamlet Golf Team, which originated in 1958, is in the same conference with Lumberton, Laurinburg, Sanford, Clinton, and Rockingham. The team plays in approximately six meets and then engages in the conference champions. The team with the lowest number of strokes for eighteen holes is the winner.

Mr. Ed Bunch and Mr. Ed Lentz are the coaches. They, along with local club professional, Frank Stone, have helped the team greatly.

The 1963 baseball team, under the coaching of Carson Oldham, finished the season with a record of ten wins, five losses, and two ties. The ties came in shortened games with Rohanen and Ellerbe.

In the Conference Championship playoffs, the Rams defeated Wadesboro in the first game but lost to Sanford in their quest for the crown.

This year's team, although losing several of last year's members, should be strong in that several are returning.

TRACK

Coach Bishop holds the Conference Championship trophy which Hamlet won for the third straight year.

For the third straight year, the 1963 Hamlet track team, led by captains Robie Clark, Larry Rogers, and Benny Suggs, went undefeated and also won the Southeastern Conference District Championship. The team made good showings at the Duke-Durham relays and the Florence relays and they placed second in the Carolinas Jr. Olympics.

The high scorers for the year were Benny Suggs with 69 points and Robie Clark with 59 points.

At the conclusion of the season their teammates chose Benny Suggs as the recipient of the most valuable player trophy and Larry Rogers the most improved trophy.

This year's team should be as good as, or better, than last year's, because there wasn't a senior on the 1963 squad.

Benny Suggs and Larry Rogers rest before a rough meet.

Robie Clark displays his form as Carl Richardson looks on.

Speedster Keith Nash hands the baton to Benny Suggs in the 880 yard relay.

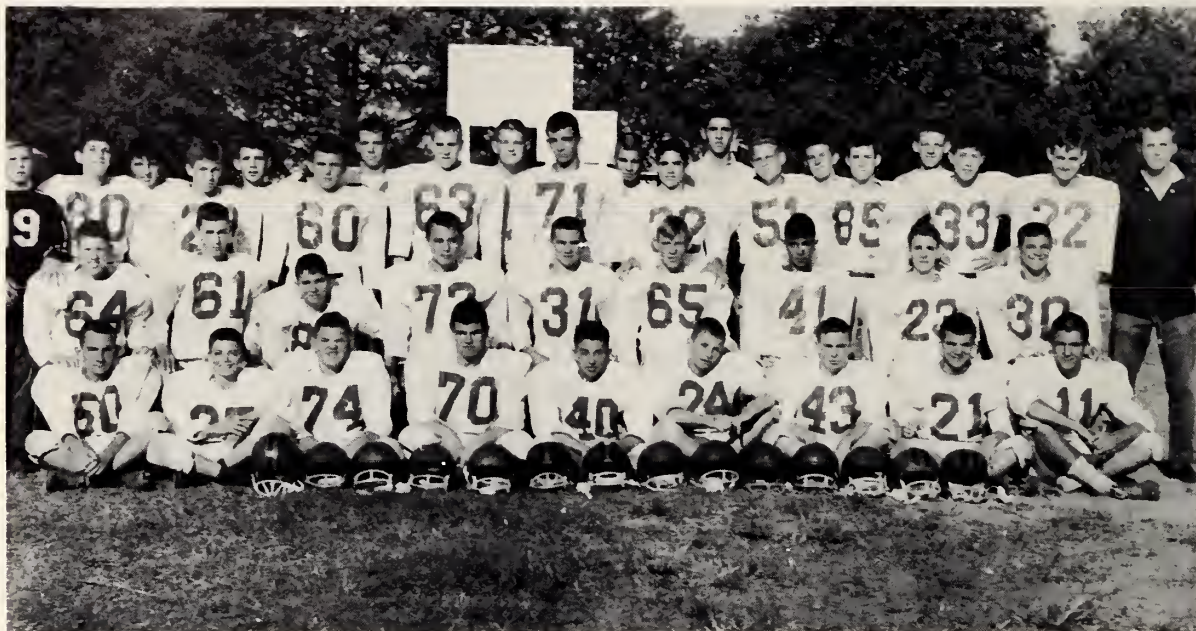

Larry Rogers comes to a welcome finish as he completes another one of his famous mile runs.

Some of the Hamlet track stars enjoy a brief moment of rest. The tracksters are Wilkerson, Robertson, Frye, Helms, Queen, Jacobs, Jackson.

"Dress rehearsal at 6:30." . . . "Reach for that note!" . . . "Turn in your stationery orders tomorrow." . . . "Leadership Day at HHS will be observed next week." . . . "Parlez-vous francais?" "There will be a meeting of the -----." Yes, meetings are held regularly for the various clubs and organizations at HHS as each one endeavors to be the best of its kind. Through much hard work of past alumni and the continuing efforts of present students, our extracurricular activities add much to student life at Hamlet High.

STUDENT COUNCIL

Modeled after our national government, our Student Council strives to unite the executive, legislative, and judicial aspects of HHS student life in a smoothly knit and ably functioning whole.

The Council is for, by, and of the students. Its primary purpose is to voice the general opinion of the students; its primary responsibility, to serve in the best interests of all.

As campus representatives, members may review cases and punish those who are guilty of offenses. The main project of the group is Homecoming which it finances completely. It also takes upon itself projects such as food baskets for the needy at Christmas.

V.I.C.

'Vic', the North Carolina State Vocational Industrial Club, is composed of local Trade and Industrial Education Club chapters established in public schools offering Trade and Industrial Education. They are governed by a State Executive and Advisory Committee, composed of the Student State Club Officers, Trade Teachers, Coordinators, and Supervisors.

The local and state chapters meet periodically to provide opportunities for the members to participate in educational, social, recreational, and vocational activities.

Student benefits are derived from the activities conducted by the local chapter. Participating members in these activities develop leadership, fellowship, self-confidence, personality, and poise. Activities also aid in stimulating proper attitudes, building character, and developing those behavior changes vital to a good productive citizen—one who is an asset to his school, his home and community.

DRAMATICS CLUB

Drama—the fine art of expressing the emotions of a character for the public.

The purpose of the Dramatics Club is to develop the dramatic skill of its members. This is most successfully done by letting the members participate in the annual Dramatics Club's play. The play is usually presented in the month of November after the cast has labored very industriously for its master-

piece. Any cast member will tell you that play practice is an experience in itself, and performing for a live audience is not rewarding. The play is the club's main project, and its proceeds support the club.

The Dramatics Club fills the need for students of Hamlet High that have dramatic talent, and it gives the school some fine entertainment.
